Hawk Achieves One Million Hours Worked Safely

Hawk Consultants announce a milestone achievement of one million hours worked without an injury or lost-time accident.

Hawk has worked in the Alaska oil patch since 1985 and has never had a lost time accident. This truly remarkable achievement is a tribute to the quality and dedication of our employees. Working safely is an individual responsibility that is fostered and supported by the Hawk management team and our clients. We strive to help each other get home safely each night.

Hawk Consultants LLC is an Alaskan-owned firm specializing in project management services supporting client organizations with people and resources to deliver projects safely, on time, on budget and without adverse environmental impact.
