### **Hawk Wins Governor's Safety Award of Excellence**

The Alaska Safety Advisory Council has announced that Hawk Consultants has won the Governor's Safety Award of Excellence for 2011. Hawk was presented the award by Commissioner of Labor Click Bishop at the 30<sup>th</sup> Annual Governor's Safety and Health Conference Awards Luncheon on March 24 in Anchorage:

The award was in recognition of Hawk's milestone achievement of one million hours worked without an injury or lost-time accident. Hawk has worked in the Alaska oil patch since 1985 and has never had a lost time accident. This truly remarkable achievement is a tribute to the quality and dedication of our employees and the support of our clients. We all believe in the Conference's motto "Safety Isn't Expensive- It's Priceless".

Hawk Consultants LLC is an Alaskan-owned firm specializing in project management services supporting client organizations with people and resources to deliver projects safely, on time, on budget and without adverse environmental impact.
